

PRESIDENT LORA'S MESSAGE

For those of you who do not have email here is an update on the recent happenings at Santaland. PP Judy received a call from the town Tuesday morning due to a complaint made to the Health Inspector about garbage at Santaland. The yellow train car was filled with bottles and cans and the wishing well was full of garbage. PP Judy met the health inspector at Santaland and he agreed to let us clean it up and not send a notice to the bank.

Before a clean-up crew could be organized Karl went there by himself and took care of the problem! Karl has suggested that we contact the town to see if a trash and recycle can might be placed there to discourage people from dumping at Santaland!

There was also some new graffiti inside the little house. PP Judy notified the police department and they reported that they have been keeping a pretty good eye on the place for us and will continue to do so.

A big thank you to PP Judy and Karl.

President Lora

ROTARY "DANCERS" NEEDED

How do we admit a new member? The Proposer (any Denville Rotarian in good standing) completes Section A of the R.I. Membership Proposal Form (MPF) and gives it to the Secretary. The Secretary gives the MPF to the Club President, who calls a special Board meeting. The Board approves the MPF and the Secretary informs the Proposer and notifies the Past President's group. A member of the Past President's group meets with the proposed new member and (a) provides Rotary information, (b) gets the prospective member's signature in Section B of the MPF, and (c) returns the completed MPF to the Secretary. The Secretary sends out the "seven-day letter" to all members in good standing. Assuming no adverse comment to the "seven day letter" the new member pays fees and dues. The President schedules induction of new member.
