

PRESIDENT LORA'S MESSAGE

Last weekend's hurricane was devastating to many families and small businesses in Denville. Our Emergency Services did an exemplary job all week under difficult conditions. Almost immediately neighbor helped neighbor pumping out basements and cleaning up. There has been an out pouring of generosity both financially and with volunteerism. There is still much more that needs to be done. Some home owners may be without a home for up to a year. Most of our small businesses do not have flood insurance and it may take months to reopen. They need our help! **Denville is the Hub of Volunteerism.** We would like every organization in Denville, every Church, School, Lake, Club, Committee, League, Troop or Pack to think what they can do to help.. Motivated volunteers not part of an organization are welcomed also. Please help us spread the word throughout our Community to come to the meeting and help our neighbors in need.

ROTARY "DANCERS" NEEDED

How do we admit a new member? The Proposer (any Denville Rotarian in good standing) completes Section A of the R.I. Membership Proposal Form (MPF) and gives it to the Secretary. The Secretary gives the MPF to the Club President, who calls a special Board meeting. The Board approves the MPF and the Secretary informs the Proposer and notifies the Past President's group. A member of the Past President's group meets with the proposed new member and (a) provides Rotary information, (b) gets the prospective member's signature in Section B of the MPF, and (c) returns the completed MPF to the Secretary. The Secretary sends out the "seven-day letter" to all members in good standing. Assuming no adverse comment to the "seven day letter" the new member pays fees and dues. The President schedules induction of new member.
